Doctor Profile

Dr Usman Ali

MBBS, FRANZCP

Dr Usman Ali MBBS, FRANZCP is a Consultant Psychiatrist working in private practice with admitting rights to Belmont Private Hospital.

Dr Usman Ali moved to Australia as a junior doctor and completed all of his Specialist Psychiatry training in Brisbane. He has a special interest in helping people living with stress, depression, anxiety, panic attacks, PTSD, schizophrenia, psychosis and dementia. Dr Ali enjoys working as a treating psychiatrist to help people navigate their way out of stress and difficulty.

He is also particularly interested in treating DVA patients who struggle with the transition to civilian life. In his profession, Dr Ali works closely with General Practitioners and other specialists involved in patient care to ensure the best outcomes for his patients.

Dr Ali accepts referrals via Medical Objects. Please refer to contact details below. Dr Ali looks forward to working with you from Suite 4D, 87 Wickham Terrace, Spring Hill QLD 4000.
