

17th March 2023

Dear Psychiatric Registrars

I am writing to invite 4th year and 5th year Psychiatric Registrars to a dinner to inform you of some exciting developments currently occurring at Belmont Private Hospital.

This dinner will be an opportunity for you to meet with our Psychiatric Registrars who are currently completing their final year of training, before they transition to private practice at Belmont. Also in attendance, will be our Director of Medical Services and our Registrar Training Supervisor/Medical Advisory Committee Chair as well as a variety of Psychiatrists from our different specialty groups.

Please see below the details of our upcoming Psychiatric Registrar Dinner:

When: Wednesday 10th May 2023

Time: 6.15pm arrival for a 6.30pm start

Where: Alchemy Restaurant (Private Dining Room)
175 Eagle Street, Brisbane City

RSVP's: Due no later than 5pm, 3rd May 2023

Melinda Buckle: Melinda.buckle@aurorahealth.com.au / 07 3398 0203

Belmont Private Hospital has recently opened its newly constructed expansion and is a 185 bed acute mental health hospital (mostly single rooms) with an established reputation for excellence in the delivery of a broad range of acute mental health services. We offer a range of specialty and sub-specialties to meet the needs of the population. Our hospital expansion makes Belmont Private Hospital the second largest private mental health facility in Australia.

Belmont is an Authorised Mental Health Service under the Queensland Mental Health Act, specialising in high quality mental health care with positive patient outcomes. We also are the only private mental health facility in Queensland with a six bed secure unit offering ongoing assessment and close supervision in a low stimulus environment.

Our new development includes a new and larger Brisbane Centre for Post Natal Disorders, a **Women's** Mental Health Unit, a new dedicated Adolescent and Young Adults Unit, **expansion of our current Older Person's Unit, a newly built Trauma and Dissociation Unit,** new group program rooms as well as an increase in onsite parking capacity.

Also part of the redevelopment are 14 brand new consult suites. Belmont offers allocated undercover parking for all Psychiatrists, an experienced Medical Secretary to support your private practice (shared between a maximum of two Psychiatrists) as well as many other benefits.

Our Belmont Therapy Programs team deliver gold standard quality inpatient and day patient programs with a dedicated multidisciplinary team working together to deliver over 50 different therapy programs to our inpatients and day patients each week.

We are in a significant growth phase at Belmont Private Hospital and we would be excited to have you onboard with us to complete your Psychiatric Registrar training and to assist you with setting up your private practice.

If you are interested in attending our Registrar Dinner, please contact my office on 07 3398 0203 and speak with Melinda Buckle before the deadline of 5pm, Friday 3rd May 2023. Alternatively, you can contact Melinda via email on Melinda.buckle@aurorahealth.com.au

I look forward to joining you for our 2023 Psychiatric Registrar Dinner for an informative and collegial evening.

Yours Sincerely,

Mary Williams
Chief Executive Officer
Belmont Private Hospital
